

LETTER OF RECOMMENDATION

I am indeed very pleased to pen a few words to recommend one of my student XXXXXXXXX for the Master's in Computer Science course at your University. I had known her through professors as Head of Department of Computer Engineering at XXXXX Engineering and Technology College.

Her performance and receptiveness in all the subjects were excellent. She is also keen and wholehearted learner of concepts like Object Oriented Programming using C++, C# and Operating Systems.

XXXXXXX is a dedicated student and thus for her grades has been exemplary. She has peerless ability to grasp new concepts with ease and is capable of articulating her thoughts with lucidity both orally and in writing. I often had an opportunity to observe her unusual abilities, creativity, capacity for deep analytical thinking and amazing scientific intuition. Her strong resolve and ambitious drive to achieve her future aspirations give her a sense of purpose in life that can match only few others. XXXXXXXX is a diligent student aspiring to gain a strong foundation in the field of Computer Science.

XXXXXXX is a perfectionist striving towards brilliance in life. Her superior characteristics, distinct intellect and enormous merit will make her a remarkable pupil. I find her to be a dedicated and industrious student and I am confident that she will excel in her higher studies.

Her confidence and innate talent make her a popular choice for many of her peers as their leader. She is interested in strengthening her academic proficiency by pursuing her Masters in Computer Science. So I recommend XXXXXXXXXXXXX for further studies and any kind of scholarship or assistantship available in your University.

Sincerely,

Prof. XXXXXXXXX
